

# St Alban's UPDATE

For the Week of May 20 2018

**This Sunday – May 20, 2018**

**The Day of Pentecost**

**8:00 am & 10:00 am Holy Eucharist**

May 20 is the Day of Pentecost when the gift of God's Holy Spirit was given. It is often thought of as "The Birthday" of the Church.

Pentecost is the day on which the disciples of Jesus were emboldened to leave the safety of their apartment and go into the world to share the Good News of Christ. It was as though tongues or flames of fire rested over the disciples as their hearts burned with passion.

The liturgical colour for the burning passion of the Holy Spirit is **RED**. This Sunday wear something **RED**. (Forget political party issues – just wear **RED** – for Pentecost)

Work on the Narthex continues. This week mirrors have been added framing the stained glass windows giving a beautiful depth and richness to the windows. The crown moulding will arrive soon along with the new wooden and glass entry doors.

What do you think?
