OPENING OUR DOORS

Knox United Church is undergoing renovations for the establishment of an emergency shelter along with supportive services for people in need. In order for the renovations to take place the lunch program AGAPE has stopped operating and the Wednesday hot meal program called 'Opening our Doors' also can no longer use space at Knox.

Between now and September the hot meal program has moved to St Alban's and will continue serving hot meals on Wednesdays from 5 – 6 pm.

The emergency shelter programs should be ready by October of this year.

Getting Ahead

The program has been running on Tuesdays and Thursdays from 10 – 2 in the lower hall. They have their last sessions this week with a graduation day on May 17 at Anicinabe Park.
